

Birthday Party Information.

Children's parties are great fun with Paint and Glaze!

Children love being creative and having fun with colours. Painting their own pottery gives them a way of interacting, learning and having fun at the same time and is a great activity for your child's birthday party and their friends.

Painting parties normally last about an hour and a half and, once the painting is over, we leave you to enjoy the rest of the activities you have planned or birthday tea.

You just need to provide the space along with tables and chairs and a pack of pens to decorate a party bag. We bring all the necessary paint and equipment and each child will have a piece of pottery to paint. It will then be packaged in a party bag they have decorated themselves.

If you don't have a venue and don't want to do your own party food, we can help you identify venues that will lay on food for you.

Minimum number is 8 and the maximum depends how many you can sit in your dining room or venue. We can even provide invitations for you at no additional charge.

The party organizer selects the bisques, blank pottery, to be painted. All glazed items will be available for collection one week after the party.

Standard Package – £10 per head

How did you hear about Paint and Glaze Birthday Parties?

TERMS & CONDITIONS

- Children remain the responsibility of the parent / guardian or party organiser at all times.
- Table protectors are supplied and we recommend that children wear suitable clothes. All paint is washable. We do our best to keep painting parties mess free but accidents can happen.
- All paints are washable and non toxic, we do however suggest that all children wash their hands before eating their party food.
- A £20 booking deposit is required when booking. This deposit is only refundable up until two weeks before event date. After that no refunds will be issued.
- Balance is due in full when painting. (cash or cheque only please) Please confirm numbers as soon as you know. (4 days before the party) a minimum of 8 children will always be charged for but after that only children who paint will be charged.
- Paint and Glaze operates within a 20mile radius of Rugby, we will however happily travel further but an extra charge. Contact us for more details.
- Pottery is not an exact science. In the event that items are damaged in the glazing / firing process, the items will either be replaced or refunded.
- Items can be used in the dishwasher, however care should be taken as items will get very hot if put in the microwave or dishwasher. We do not recommend it.
